

1. "Municipality" or "City" shall mean the City of Hebron.
2. Whenever the Building Code shall conflict with the zoning ordinances, the zoning ordinances shall govern.
3. Any reference to fire limits within the city shall mean the fire limits set out in Section 5-0201 of Title 5.

REVISED  
9-0103. Building Permit Required. Before any building is erected, moved in or to a new location in the City of Hebron, North Dakota, the owner must first file an Application for a Building Permit or a permit to move such building into the City or from one location to another. Such applications shall state the size of the proposed building to be erected, the estimated cost, the proposed location and the material to be used in the construction of such building or the description of the building to be moved into the City. The Building Inspector shall then consider such application and if, in his judgment, such proposed building shall be suitable in the dwelling neighborhood as to the construction size and height and shall not be in violation of any building ordinances, a permit for the erection or moving of such building shall then be authorized and the City Auditor shall issue such permit on payment of a fee as hereinafter designated. No extensive alteration or repair work to any building now in the City shall be undertaken without a permit from the City Auditor. S-3-84  
L.C.T.  
C.A.H.M.C.

REVISED  
9-0104. Fees. Fees under the Building Code shall be as follows: For work valued at less than \$1,000.00, the fee shall be \$2.00, and for work valued at \$1,000.00 and over, there shall be an additional fee of \$.50 for each additional \$1,000.00 of valuation or fraction thereof in excess of \$1,000.00.

9-0105. Buildings for Business Purposes. Any building to be used for business purposes, or warehouse for storage of merchandise, must be constructed of brick, tile, concrete, or concrete blocks or other acceptable non-inflammable material, regardless of location, except that by special permit, the City Council may permit certain buildings used for business purposes or storage of stock of merchandise to be erected in other portions of the City but such buildings must be constructed as directed by the City Council of the City of Hebron. Further, the City Council may allow the construction of a temporary building to be used for the purposes specified above but said building must be removed from any location allowed by the City Council within a period of two years from the date of such permit unless converted into a suitable structure as modified hereinabove.

9-0106. Buildings Set Back From Front of Lot. All buildings in the City of Hebron to be used for dwelling purposes, may be constructed of lumber or brick with wood shingles or asphalt shingles provided, however, that all new buildings erected or moved in must be set back from the front of lot so as to be in line with other buildings in the block. In the event that no buildings are situated on the block then, in that event, any new buildings erected shall be set back 20 feet from the front property line.

9-0107. Buildings Set Back from Sides of Lots. All buildings constructed or moved into the City of Hebron to be used for dwelling purposes and all other buildings placed on said lots to be used for storage or garages shall be set back from its farthest protrusion a distance of five feet from the side lot lines.

9-0108. Buildings Set Back from Alley Lot Lines. All buildings moved in or constructed in the City of Hebron to be used for dwelling purposes or to be used as a storage unit or garage which may be placed near an alley lot line must be set in at least a distance of five feet from its farthest protrusion from said alley lot line.

ADD 9-0109  
ADD 9-0110

It was moved by Alderman Morin and seconded by Alderman Schneider that Section 9-01-03 of the Revised Ordinances of the City of Hebron be amended to read as follows:

9-0103 Building Permit Required. It shall be unlawful:

1. To erect any building in the City of Hebron without first filing an Application for a Building Permit with the City Building Inspector. Such application shall state the size of the proposed building to be erected, the estimated cost, and the proposed location and materials to be used in the construction of such building. The City Building Inspector shall consider application and if in his judgment the proposed construction is not in violation of any building or zoning ordinances of the City, a permit for the erection of such building shall then be authorized and the City Building Inspector shall issue such permit on payment of a fee as hereinafter designated.
2. To make any structural changes or additions, including patios and decks, to any building in the City of Hebron without first filing an Application for a Building Permit with the City Building Inspector. Such application shall describe the work proposed, the estimated cost, and the proposed location and materials to be used in making such structural changes. The City Building Inspector shall then consider such application and if in his judgment the proposed structural changes are not in violation of any building or zoning ordinances of the City, a permit for the making of such structural changes shall then be authorized and the City Building Inspector shall issue such permit on payment of a fee as hereinafter designated.
3. To move any building in or to a new location in the City of Hebron without first filing an Application for a Building Permit and securing the approval of the City Building Inspector. Such application shall state the size of the proposed building to be moved, and the location to which such building is to be moved. The City Building Inspector shall then consider such application and if in his judgment the proposed move of the building in or to a new location in the City of Hebron is not in violation of any building or zoning ordinances of the City, the City Building Inspector shall issue such permit on payment of a fee as hereinafter designated.
4. To attach new siding, or make any other improvement to existing buildings, other than ordinary repairs or maintenance, in the City of Hebron, if the cost of such improvement shall exceed the sum of \$300.00, without first filing an Application for a Building Permit with the City Building Inspector. The City Building Inspector shall then consider such application and if in his judgment the proposed improvement is not in violation of any building or zoning ordinances of the City, the City Building Inspector shall issue such permit on payment of a fee as hereinafter designated.
